Andy,

Since you are calling their counsel today and they originally sent this request through you, would you mind putting a few sentences together. If you would rather I put the sentences together that wouldn't be a problem just let me know what you learn from the call.

Rick,
I know Andy talked to Renee earlier today to give a heads up to Cosmo and Cecil. I also know at this time the agenda had not been shared (unless his call today sheds some more light on the meeting). Do you think something in writing is still necessary if Andy had discussions with Renee today?

Folks,

This one fell through the cracks for me in terms of notifying our Division Director of this meeting. Just checking to see if anyone out through a salient issue on this meeting. I did not think of it. Did anyone else do one?

If not, can someone put together several sentences about how the meeting came about and what will be on the agenda and send it directly to Cate by COB today?

Thanks,

Rick

Hi Brian, just following up to see if you know whether Feb 12th is still possible.

Also, please let me know who will be attending and whether you will need any Audio Visual equipment.

Thanks,

Andy
